PROFESSIONAL SUMMARY

Finance and Accounting professional with 4+ years of experience supporting multinational offshore operations, specializing in Accounts Receivable, financial reporting, reconciliations, invoice management, and month-end closing activities.

SAP S/4HANA FICO Certified with knowledge of Finance (FI) and Controlling (CO) processes, financial integration concepts, and ERP-driven business operations. Experienced in collaborating with international stakeholders and shared service centers to resolve payment issues, improve financial processes, and strengthen internal controls.

Currently pursuing an MBA in Finance and Controlling, combining strong accounting expertise with ERP knowledge, business process optimization, and financial systems analysis.

Accounts Receivable (AR) | Financial Reporting | Account Reconciliation | Month-End Closing | Invoice Management | Financial Analysis | Internal Controls | ERP Systems | SAP S/4HANA Finance | SAP FI | SAP CO | Process Improvement | Shared Services | Power BI | Advanced Excel

PROFESSIONAL EXPERIENCE

DOF Group

Accounting Assistant PL

Rio de Janeiro, Brazil | May 2023 – Present

- Supported finance operations for Joint Venture activities, performing analysis of Accounts Payable, Accounts Receivable, retained taxes, accounting entries, and period-end provisions.
- Controlled and monitored international invoices in collaboration with the Manila team, ensuring proper follow-up, documentation, and alignment with internal processes.
- Prepared and issued intercompany invoices and customer invoices for foreign clients, ensuring accuracy in billing, cost allocation, and supporting documentation.
- Recorded billing entries for national clients and supported the reconciliation of receivables, contributing to accurate revenue recognition and financial reporting.
- Worked closely with the Operations team to identify billable amounts, validate supporting information, and ensure proper charging of services and costs.
- Assisted in month-end closing routines, including accruals, account analysis, reconciliations, and adjustments related to different operational and accounting scenarios.
- Analyzed retained taxes and financial transactions to support compliance with Brazilian tax and accounting requirements.
- Contributed to process improvements, internal controls, and financial accuracy across offshore and onshore operations. [Norskan Offshore](#)

Accounting Assistant JR

Rio de Janeiro, Brazil | May 2022 – April 2023

- Assisted with accounting routines, reconciliations, and financial reporting activities.
- Supported month-end closing procedures and financial data validation.
- Worked closely with accounting teams to improve reporting accuracy and process efficiency.
- Promoted based on performance and contribution to the finance department.
